Shri. P.R. Kadam

President

Dr. V.D. Satpute

Principal

2.3.1: Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences and teachers use ICT-enabled tools including online resources for effective teaching and learning process

ICT ENABLED LEARNING

Teachers Use ICT tools in Teaching for Effective teaching Learning Process.

Apart from the above, we teachers prepare video content and post it on our Youtube channel, which increase the active participation of the students in teaching and learning methods.
