## About College

Hanuman Shikshan Prasarak Mandal's Late Ramesh Warpuekar ACS College, Sonpeth is in the service of the vicinity since 1994. The town Sonpeth literally means a '**Store of Gold**'. The town had a significant status in the region of Nizam of Hyderabad. After independence, the town lost its administrative importance and remained neglected. This college is 80 Kms. away from district place and away from highway which resulted in slowing down its progress. Before the establishment of the college, the students of the region had to go to the district place for their higher education. In 1990s, people of the region were expecting somebody to initiate and begin senior college for the students of this area. Keeping in mind the charitable attitude, the founder President, Late Rajabau Kadam, established Hanuman Shikshan Prasarak Mandal in 1993. Late Ramesh Warpuekar ACS College is the first unit of the Mandal which started in 1994.

The very objective behind establishing such unit was to bring the Ganga of higher education to a small town like Sonpeth which is backward in terms of higher education. Hanuman Shikshan Prasarak Mandal, with the motto 'Gyanat Dharma Tatah Sukham', has undertaken to provide quality higher education to the youths of Sonpeth taluka. The institution's first unit, Late Ramesh Warpuekar ACS College has recently completed twenty-five years and the progress of the college till date is destined to lead towards excellence. The present president of the organization Hon. Parameshwar Kadam Saheb started various educational units under the organization since last thirteen years. Founder President **Late Rajabhau Kadam** had a dream to provide higher education to youths of Sonpeth vicinity in general and to the girls in particular. Keeping in mind the tendency of parents towards English medium in primary education, L.R.K. an English medium school was started in the name of Late Rajabhau Kadam Saheb. Apart from this, a study center of Yashwantrao Chavan Maharashtra Open University has been established to bring the students who have drifted away from the flow of education back into the main flow. Looking at the scarcity of the PG education in the area, the institution has begun postgraduate education M.A. & M. Com (External Mode) from the academic year 2019-20, which is affiliated to Swami Ramanand Tirtha Marathwada University Nanded.

The mission of the institute is '**Reaching to the Unreached**' and we are committed to provide quality higher education to the students of Sonpeth Taluka. The college has got its quality certified by NAAC in the year 2015 and got grade 'B'. The SRTM University has given 'A' grade to the college in academic audit. Many students of the college have selected for the inter-university level competitions

in the field of sports. '**Pradnya**'- an annual issue of the college magazine received four university level awards in last four years. The journey of the institute began with 50 students in 1994, today nearly 2000 students are studying in this campus. Many alumnus of Mahavidyalaya are pursuing their careers in Accountancy, Education, Arts, Indian Army, Education Sector and Business. Students of the college are getting success in exams like NET/SET and some students have cleared SET/NET exams and working at different colleges as assistant professors. While imparting education in traditional subjects in arts, commerce and science, the institution strives to provide education that is up-to-date with the changing times today. The institute is all set to welcome **New Education Policy 2020**. The institute is planning to start professional short term courses which will help students to begin their earning after completing their graduation.

## Objectives:

The primary goal of the annual gender sensitization plan is to foster and inclusive and equitable environment in college. This plan aims to raise awareness, promote understanding and create a supportive atmosphere for all genders within the academic and social fabric of the institution.

1. To promote inclusiveness, tolerance, harmony among the students and staff and to enhance women empowerment.
2. Conduct activities like blood donation camp, AIDS awareness, dealing with COVID- 19, awareness of health and hygiene of girl in order to give back to the society.
3. Promoting activities related to health nutrition cell, self -defense and entrepreneurship among the female students.
4. Conduct workshop related to cybercrime safety & security and career in enhancement for female students.
5. Conduct workshop that promotes diversity and gender sensitivity communication for students and staff.
6. Mentorship in college is to provide where faculty and student can approach in matters of gender related issues.
