### **Introduction**

The development of education and the nation's educational system is governed by a wide framework known as education policy. Education policy includes issues with school and class size, curriculum design, student-teacher ratios, instructional strategies, and requirements for higher education. Education policies are designed to help the nation achieve its academic objectives. India

38. AWARENESS OF HELMINTH INFECTION CONTROL IN HUMAN  
Deepak M. Gaikwad (289-293)
