College Sonpeth, Dist. Parbhani. This college has been in the service of the vicinity for last two decades. Our visionary leader Late Rajabhai Dadarrao Kadam, the founder President of Hanuman Shikshan Prasarak Mandal, Sonpeth, had a dream that the people of this rural region should get higher education with open access & irrespective of caste, colour, creed and religion. This college was started in 1994 to cater the needs of rural youths. The vision of the Institute is 'Reaching to the unreached'. It offers Arts, Commerce and Science faculty. We have the Study Centers of B.A. and B.Com., YCMO University, Nashik and M. A. in Eight subjects under Distance Education Department of SRTM University, Nanded. The dream of the founder president comes true, since we have K.G. to P.G. courses in this campus. The town Sonpeth literally means a store of gold. It was also the Taluka Place under the reign of Nizam state. It is situated on the banks of river Godavari and it is 20 kms away from the Parli-Vaidnath, one of the Jyotirlinga. This year we are celebrating the 25th Year i.e. Silver Jubilee of the establishment of the college. The travel of the institution from 1994 to 2019 had been difficult and most challenging in the initial phase of the college. Today, the college has its own campus running classes from KG to PG. The college has successfully gone through the NAAC process and secured grade 'B' in March 2015. This year again we are preparing for second cycle of NAAC and celebrating a well the 'Silver Jubilee' of the college by organizing various novel activities in and off the college campus. This seminar is also the part of the celebration of this occasion. The college welcomes all the delegates participating in this seminar.
