To, Principals Sir,

Ramesh Warpudkar
College Sonpeth
Dist. Parbhani

Respected Sir/ Madam,

We, at **Institute of Taxation & Accounting Professionals (ITAP)** has immense pleasure to introduce ourselves as pioneer institute in field of Taxation, Accounts and Finance since last 10 years. We are making our contribution in establishing "Taxation, finance & accounting as a bright career" in mind of students and parents. We have created employment for thousands of students in last 10 years. We conduct most rewarding "**Professional Business Accountant (PBA)**" course.

This institute is founded and managed by a group of Chartered Accountants who are in practice for more than 20 years. It is brainchild of tax expert CA Pankaj R Mandhane who regularly writes articles in various newspapers including Sakal, Maharashtra Times, Lokmat about Income tax, GST & career counseling to students. He is empanelled Tax expert of Sakal Newspaper, where people throughout from Pune and outside ask tax related questions and he answers it. He is ace speaker on career counseling to students.

We appreciate the efforts you undertake for student's development. But we all know, education that we provide to students during graduation is not enough for them to sustain in this competing world. They also need to have practical knowledge as per industry requirements.

We at ITAP, took it as our own social responsibility and decided to create thousands of quality accountants in coming future & create secure and growth oriented employment for students. Today ITAP students are working in different organisation at very good positions and many of them also have started their own tax consultancy.

Since it is managed by group of practicing and expert CAs, our complete focus is to provide such updated and practical knowledge to students that increase their employability.

All our faculties are CAs, ICWAs, Tax & other professionals. We have long history of 100% placement to our students.

We are happy to come to your college to create awareness among students about career in taxation, accounts & finance through a small seminar.

Looking forward to positive response from your side.

With gratitude,
Yours truly,

Sanjaywanshi 8208758117
