About the conference

About the International Conference

Dear Sir/Madam,

It gives us immense pleasure to organize the International Conference on "Aquaculture for Rural Development (ICARD-2022)" on May, 07, 2022, under the MoU between the Department of Zoology of the Dadapatil Rajale Arts, Science, and Commerce College, Adinathnagar, Tal. Pathardi, Dist. Ahmednagar Affiliated to Savitribai Phule Pune University, Pune (M.S.); Late Ramesh Warpudkar Art, Commerce Science College, Sonpeth, Dist. Beed and Milliya Arts, Science & Management Science College, Beed Affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (M.S.) to celebrate "Azadi Ka Amrit Mohatsav".

Aquaculture contributes to poverty alleviation as it provides employment to millions of people, both in the sector itself as well as in support services. It also generates income, and as prices for most food commodities fall, fish prices are expected to rise reflecting the imbalance between demand and supply. The various types of aquaculture form an important component within farming systems development that can contribute to the alleviation of food insecurity, malnutrition and poverty through the provision of food of high nutritional value, income and employment generation, decreased risk of production, improved access to the contribution of small-scale aquaculture to sustainable rural development includes, for example, securing food, efficient use of water, farm materials and other resources, creating wealth, diversifying livelihoods, generating rural employment and income, utilizing family labour, fostering social harmony.

The aim of the conference is to bring together scholars, students, and administrators from the various countries, and to discuss theoretical and practical issues in all fields of Aquaculture and its role in Rural development.

Due to continuing COVID-19 restrictions on travel, we have decided to hold ICARD-2022 online mode on May, 07, 2022. The conference which consists of invited talks and free discussion will be an opportunity for students, researchers academicians, farmers, and practitioners to get together and exchange their ideas and experiences through online mode.
