THE EDUCATIONAL TOUR REPORT

Saturday, 12 March, 2022

On 12 March, 2022 the department of English has organized the one day study tour to visit Sindkhed Raja and Lonar Lake, Lonar, Maharashtra.

In presence of Dr.Patil M.B., Coordinator, IQAC to the One Day Educational Tour has left the college at 08.30 am to Sindkhed Raja with 6 boys and 24 girl students in leadership of Dr. Jaybhaye V.K., Mr.Korde D.B. and Mr.Jadhav G.S.

Jijau Shrushti, Sindkhed Raja:

Our tour bus was reached at Jijau Shrushti, Sindkhed Raja at 11.30 am. Sindkhed Raja is a municipal council in Buldhana district in the state of Maharashtra. It is the birth place of Rajmata Jijabai, the mother of Chatrapati Shivaji Maharaj. First of all, we visited the statue of mother Jijau Maa Saheb. There we published Wall Poster prepared by our students on the life and contribution of Jijau Maa Saheb. There was detail discussion about the history of Jijau Maa Saheb.

On the way, where we have enjoyed the lunch

Here is the ancient temple of Nilkanteshwar, the inscription inscribed by the King Lakhujirao Jadhav for the revival of the temple. In front of this temple there is a massive bar arranged by stairs to the bottom of the square. The Hemadpanthi Rameshwar Temple is in the 8th to the 10 century. A beautiful example of the formation of the great forts during the tenure of Rajerao Jagadevrao Jadhav was that of Kalkoth. The timeless walls of this superb and strong, are 20 feet wide and the same height. In addition to this, there is a 40-foot-tall walled fort called Sachkarwada, which can be seen on an intersection, there are internal roads, well inside, wells, sub-basement and subway.

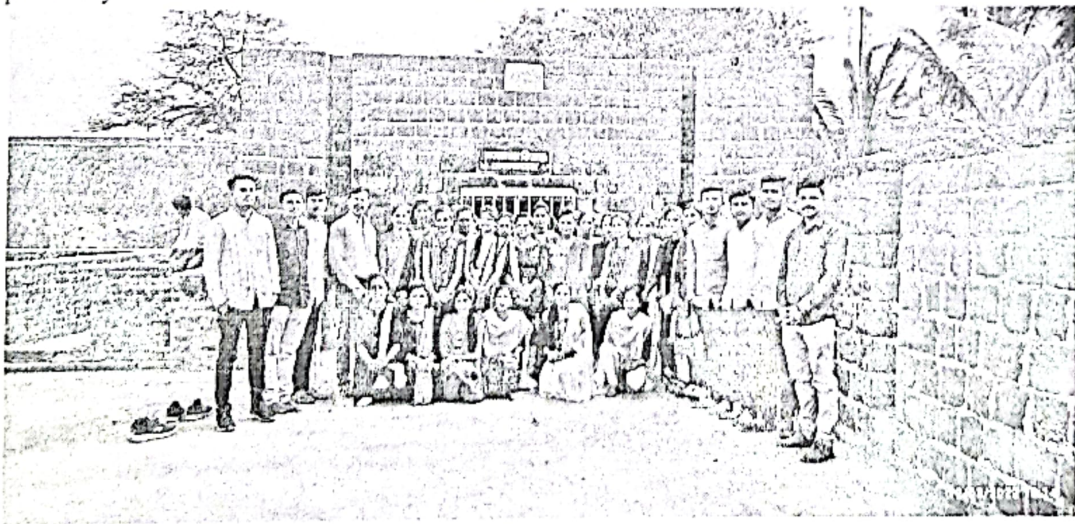

Visit to Lakhujiraje Jadhav Saheb Palace in Sindkhed Raja

So the entrance was very beautiful. Moti lake is a very good way of releasing water for irrigation and a very good example of water irrigation. The front part of this lake is built like a fort, and the area of excavation is beneficial. Besides Chaitanya, the awning lake is also a tourist attraction. A three-storey building has been built in the middle of the pond. This is a statue built in a very streamlined manner. This means that the sculpture made by the use of numerous idols and sculptures together. Also, there is a Bhajnbai well, in those days, water was supplied through the well drained canals, and there is also a stairway to reach the bottom.

Sindkhed Raja is famous for the birth place of Jijabai (Shivaji Maharaj's mother). This was the place where Raja Lakhuji Jadhav (Jijabai's father) ruled and lived. The place has a lot of places to see. It is situated 32 miles to the south-west of Mehakar, this village derived its name. It is said, from the king Sindurama who is said to have founded it. Another derivation of the name is from Siddha Kshetra, i.e. a village of saints. However, it appears that the village probably derived its name from the sindi trees in which it abounds.
