Under this activity, Dr.Mallikarjun Karajgi, The Director, National Service Scheme, SRTM University, Nanded was invited for the speech on the topic " The Language, Literature and Personality Development " on March 25, 2023. Principal Dr.Vasant Satpute was the chairman of the guest lecture. Dr.Vitthal Jaybhaye has introduced the programme as well as the chief guest Dr.Mallikarjun Karajagi. He also insisted on the detailed activities of the department of English of the college.</p> <p>Dr.Karajagi Sir has focused on the opportunities of English language and literature and personality development through language &amp; literature. Language is one of the major tools in our hand by which we can achieve any goal of life. The speech is the ability of man where we can overcome Himalayas of life. He also speak about the futuristic vision regarding the language and literature. People with strong social skills always perform better in their lives. There is nothing that can stop you if you think big and follow that principle. You can achieve the greatest heights by mastering the language with the best English speaking course. If you acquire and perceive English knowledge, you will notice that your life will be more confident and you will have better personality skills. Individuals' personalities are assessed based on how they communicate with their superiors at work. Your actions and communication style demonstrate your regard for them and attitude toward them. The development of your personality is aided by effective communication skills and a good command of the English language. Effective English speaking skills enhance interpersonal abilities. Furthermore, you must improve your listening skills. You will become an excellent communicator if you are a good listener. This facilitates greater communication. English communication skill training prepares you to have strong interpersonal skills in the most effective method possible.</p> <p>As the President of the programme, Principal Dr.Vasant Satpute also speak about the opportunities regarding the English language and literature. He insisted on the creative writings among the students. He also speaks about the personality, where he told that, Personality development is something that we can work on at any age. As a result, no matter how old you are, you can work on enhancing your language skills. It provides a lot of advantages that you probably aren't aware of. Here are three advantages to studying English language and literature. In the end, our active fellow teacher Mr.Dilip Korde has proposed the vote of thanks of the guests and President of the programme. Mr.Ravi Rathod, BASY student of the department of English has conducted the programme.</p>		

**Outcomes of the Programme**

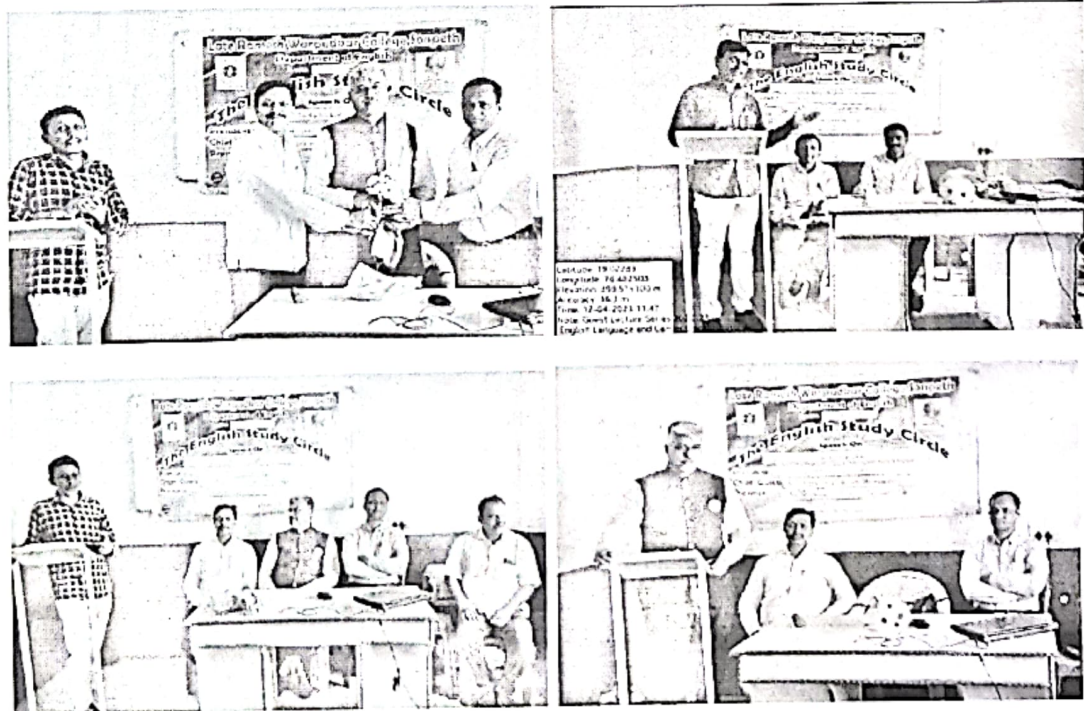

It is always found that, after end of the every guest lecture, the students of the college were became more enthusiastic regarding the importance of language and literature. They always inquire about the experienced outcome of the discussed topic of the guest lecture. The students understood that, one of the best ways to practise a language is to write. The more you write, the more you will be exposed to the new language. This improves your reading comprehension and, in turn, your creativity. It was also found that the creative writing helps the students regarding the learning of the fundamentals of a foreign language in a classroom setting. But learning English online with the help of highly-qualified teachers will also help you efficiently. The realised that, any language you learn keeps your mind active and challenging. When you learn a new language, your brain's activity and size change. There are several benefits to learning a new language, no matter what age you begin. Because of its complexity, when you decide to study English, you are putting yourself through an extra difficult workout.
