Study Tour Report

(2023-24)

Introduction:-

Educational trip gives ideas likewise opportunities to visit prestigious places that may help students visualize what they are learning at college. This activity helps the students to develop their personality since social graces and also learned by experience too.

One day study trip on 20.09.2023 with 35 participants of B.Sc. F.Y., S.Y. & T.Y. was organized by the Department of chemistry as per the curriculum was an exposure trip to a place of educational or historical importance. It was a journey from Late Ramesh Warpudkar ACS College, Sonpeth to Vasanttrao Naik Marathwada Krushi Vidyapith, Parbhani.

Objectives:-

The expected outcome of study tour includes providing situations for the student's teachers to learn and get acquainted with the process of organizing a study tour and understanding the environment around.

Developing necessary aptitude for interpersonal relationships.

To identify the progress made in various fields, to study and appreciate the rich cultural heritage of country.

Places visited:-

1. Soil Testing Laboratory, VNMKV, Parbhani

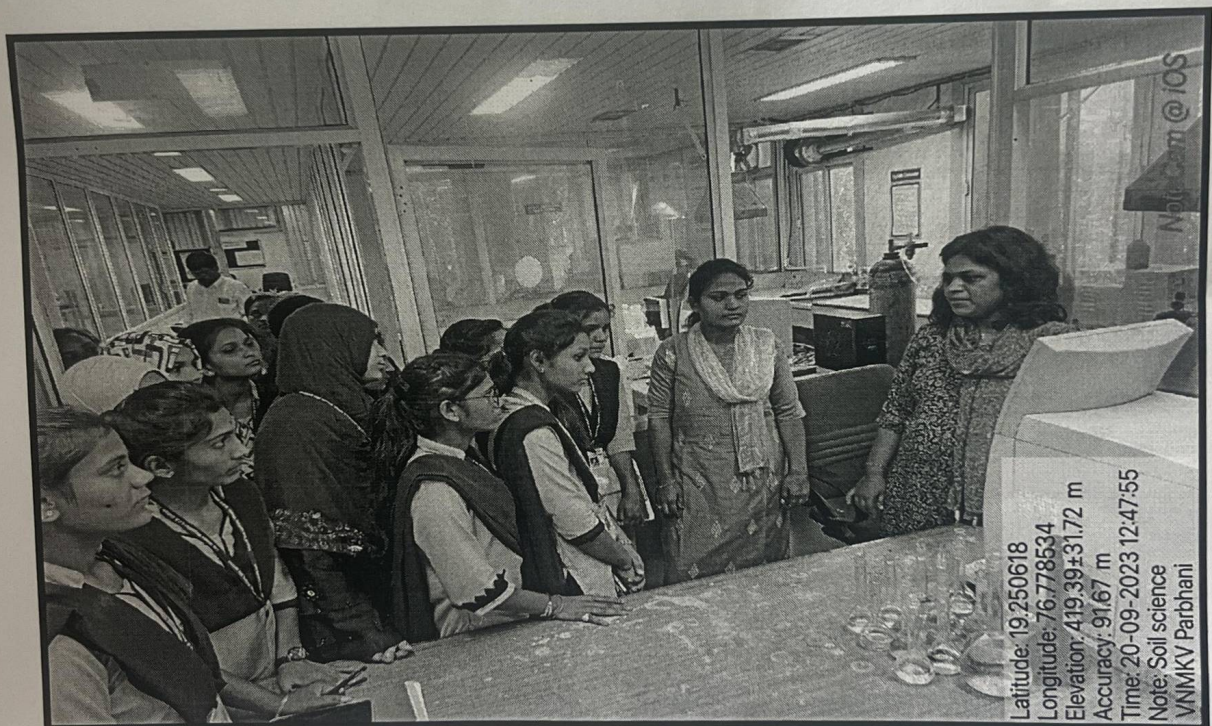

Tour report:-

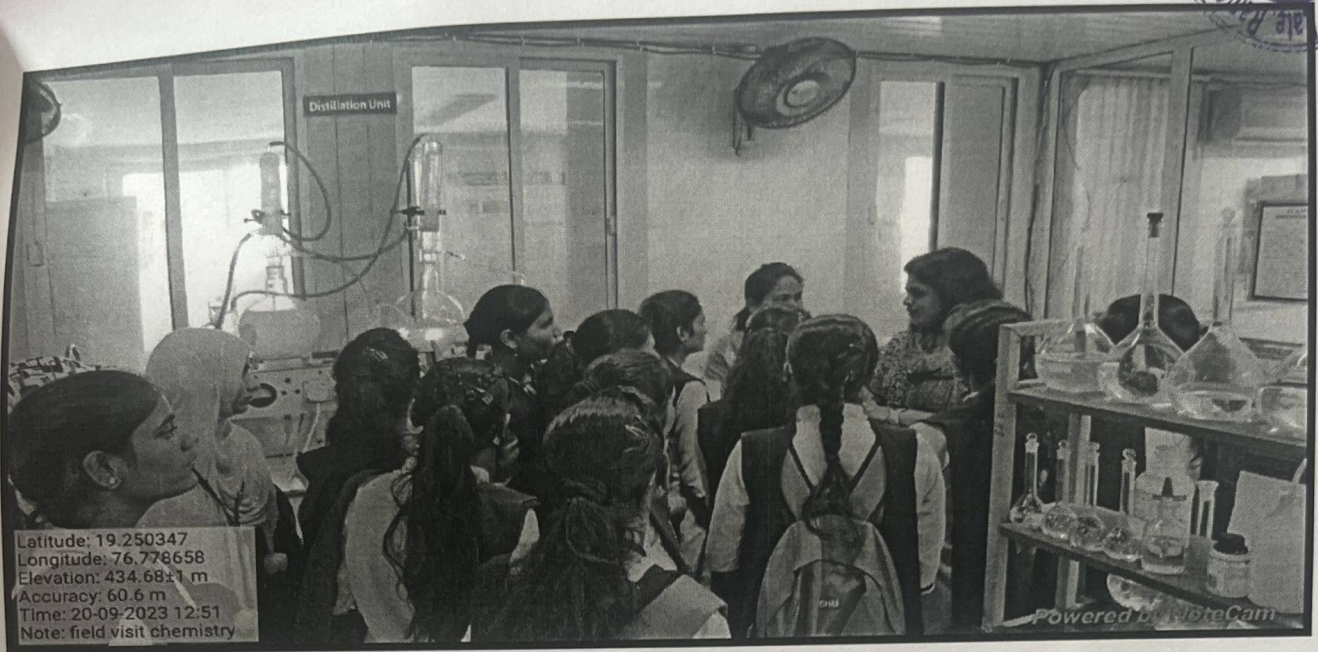

We gathered at our campus at around 7.30 am dated 20.09.2023. We started the Journey from Sonpeth to Parbhani with the permission and guidance of Principal Dr. Satpute V.D. and under the supervision of Dr. Rankhamb S.V. and Dr. Patil M.B. Miss. Rasal Nita. We reached VNMKV, Parbhani at 9.30 am.

Students were allowed to visit the soil testing lab of the VNMKV where they had given complete procedure, methodology and instrumentation of different soil testing parameters such as soil p^H , Macro and micro nutrient contents of soil by different techniques.

During Afternoon at 3.00 pm everyone was very hungry to hurry to take a lunch. We had a lunch at canteen At University. After lunch we moved towards the Sonpeth.
