**Part B**

**Abstract of the Programme**

The department of English regularly organises the various activities for the enhancement of the knowledge and personality of the college students. Under various activities, the guest lecture is one of the crucial activities of the department of English. Under this activity, Dr. More D.N., The MC Member, SRTM University, Nanded was invited for the speech on the topic "English Language, Literature and New Education Policy 2020" on January 16, 2024. Principal Dr. Vasant Satpute was the chairman of the guest lecture. Dr. Vitthal Jaybhaye has introduced the programme as well as the chief guest Dr. D.N. More. He also insisted on the detailed activities of the department of English of the college.

Dr. D.N. More has focused on the changes in NEP 2020 regarding English language and literature. He focused on the changing scenario of English education at school level in the light of NEP 2020. The major objectives of this paper are to determine the position of English language in NEP 2020 at the school level, to draw attention to the most significant NEP 2020 recommendations for English language, to critically evaluate those recommendations, to look after various obstacles in implementing the recommendations and to propose some strategies to materialize those recommendations.

As the President of the programme, Principal Dr. Vasant Satpute also speak about the changes regarding the English language and literature. He insisted on the challenges before the students regarding the changes in life and literature. It provides a lot of advantages that you probably aren't aware of. Here are three advantages to studying English language and literature. In the end, our active fellow teacher Mr. Dilip Korde has proposed the vote of thanks of the guests and President of the programme. Mr. Ravi Rathod, BASY student of the department of English has conducted the programme.

**Outcomes of the Programme**

It is always found that, after end of the every guest lecture, the students of the college were became more enthusiastic regarding the importance of language and literature. They always inquire about the experienced outcome of the discussed topic of the guest lecture. The students understood that, one of the best ways to practise a language is to write. The more you write, the more you will be exposed to the new language. This improves your reading comprehension and, in turn, your creativity. It was also found that the creative writing helps the students regarding the learning of the fundamentals of a foreign language in a classroom setting. But learning English online

with the help of highly-qualified teachers will also help you efficiently. The realised that, any language you learn keeps your mind active and challenging. When you learn a new language, your brain's activity and size change. There are several benefits to learning a new language, no matter what age you begin. Because of its complexity, when you decide to study English, you are putting yourself through an extra difficult workout.
