'Reaching to the Unreached'

At the very outset, I extend my warmest greetings to each member of our esteemed family - our students, parents, teachers, staff, and community people. At this institute, we try to prioritize the holistic development and success of every individual within our community. We remain committed to fostering an environment that nurtures creativity, critical thinking, and inclusivity, ensuring that each student progresses academically, socially, and emotionally. Hanuman Shikshan Prasarak Mandal's Late Ramesh Warpudkar ACS College, Sonpeth is in the service of the vicinity since 1994. Before the establishment of the college, the students of the region had to go to the district place for their higher education. In 1990s, people of the region were expecting somebody to initiate and begin senior college in this area. The founder President, Late Rajabau Kadam, established Hanuman Shikshan Prasak Mandal in 1993. Late Ramesh Warpudkar ACS College is the first unit of the Mandal which started in 1994. The very motto of our institute is 'Dnayanat Dharma Tatah Sukham' meaning, our happiness lies in imparting the knowledge. Since the challenge before us was to reach to the students living in remote parts of the sonpeth vicinity, we have our vision as 'Reaching to the Unreached'.

The objective of the institute is to provide higher education to rural masses in general and girls in particular. In those days girls were not being sent to other places for their higher studies. Today the college had its own building with spacious playground and highly qualified teaching staff. The staff is dedicated to provide qualitative and value based higher education. The college is permanently affiliated to SRTM University Nanded and included under **2(F) and 12(B) of UGC in 2006**. The staff of the college is dedicated to the all-round personality development of the students. The activities like: wall poster publication, participation in Avishkar Research Festival, Seminars, Annual Magazine, General Knowledge Competition, Group discussions, NSS and cultural activities, ICT based teaching etc provide exposure to the hidden talent among students. The college has developed the best practices like: Book Donation, Mata-Pita Adhar, Elocution Competition, Student Adoption Scheme etc. The teaching staff of the college is well qualified and 95% staff possesses Ph. D. as highest educational qualification. The management have provided staff quarters in the campus itself to all the employees of the college. It helps all stakeholders to be in touch with the faculty whenever necessary. The college has completed the first cycle of NAAC Accreditation in February 2015 and awarded with Grade 'B'. We are expected to face the NAAC cycle II in January 2024.

In order to procure the opportunities of employment, the college is planning to begin the skill based and short term certificate courses. Since students are in the centre of the college, we think that the welfare of the society and nation lies in the welfare of students. I urge all of you to be sincere and regular in the classrooms. Your presence in the classroom is the only medium to achieve our goals. Your disciplined behavior in college campus will enhance our reputation. The campus is under CCTV surveillance and no unlawful event will be tolerated. Students should note that Ragging, smoking spitting and chewing tobacco is strictly prohibited in college campus. You must know that the infrastructure in the college belongs to you and hence the optimum use and its protection depend upon you. I hope that students will participate in various activities of the college and play an important role in keeping the institution at the peak of success which was the dream of our founder president **Late Rajabhau D. About College

Hanuman Shikshan Prasarak Mandal's Late Ramesh Warpudkar ACS College, Sonpeth is in the service of the vicinity since 1994. The town Sonpeth literally means a '**Store of Gold**'. The town had a significant status in the region of Nizam of Hyderabad. After independence, the town lost its administrative importance and remained neglected. This college is 80 Kms. away from district place and away from highway which resulted in slowing down its progress. Before the establishment of the college, the students of the region had to go to the district place for their higher education. In 1990s, people of the region were expecting somebody to initiate and begin senior college for the students of this area. Keeping in mind the charitable attitude, the founder President, Late Rajabau Kadam, established Hanuman Shikshan Prasarak Mandal in 1993. Late Ramesh Warpudkar ACS College is the first unit of the Mandal which started in 1994.

The very objective behind establishing such unit was to bring the Ganga of higher education to a small town like Sonpeth which is backward in terms of higher education. Hanuman Shikshan Prasarak Mandal, with the motto 'Gyanat Dharma Tatah Sukham', has undertaken to provide quality higher education to the youths of Sonpeth taluka. The institution's first unit, Late Ramesh Warpudkar ACS College has recently completed twenty-five years and the progress of the college till date is destined to lead towards excellence. The present president of the organization Hon. Parameshwar Kadam Saheb started various educational units under the organization since last thirteen years. Founder President **Late Rajabhau Kadam** had a dream to provide higher education to youths of Sonpeth vicinity in general and to the girls in particular. Keeping in mind the tendency of parents towards English medium in primary education, L.R.K. an English medium school was started in the name of Late Rajabhau Kadam Saheb. Apart from this, a study center of Yashwantrao Chavan Maharashtra Open University has been established to bring the students who have drifted away from the flow of education back into the main flow. Looking at the scarcity of the PG education in the area, the institution has begun postgraduate education M.A. & M. Com (External Mode) from the academic year 2019-20, which is affiliated to Swami Ramanand Tirtha Marathwada University Nanded.

The mission of the institute is '**Reaching to the Unreached**' and we are committed to provide quality higher education to the students of Sonpeth Taluka. The college has got its quality certified by NAAC in the year 2015 and got grade 'B'. The SRTM University has given 'A' grade to the college in academic audit. Many students of the college have selected for the inter-university level competitions in the field of sports. '**Pradnya**'- an annual issue of the college magazine received four university level awards in last four years. The journey of the institute began with 50 students in 1994, today nearly 2000 students are studying in this campus. Many alumnus of Mahavidyalaya are pursuing their careers in Accountancy, Education, Arts, Indian Army, Education Sector and Business. Students of the college are getting success in exams like NET/SET and some students have cleared SET/NET exams and working at different colleges as assistant professors. While imparting education in traditional subjects in arts, commerce and science, the institution strives to provide education that is up-to-date with the changing times today. The institute is all set to welcome **New Education Policy 2020**. The institute is planning to start professional short term courses which will help students to begin their earning after completing their graduation.
